

TBI PRINCIPAL'S MESSAGE, MODULE ONE 2024 – ELDER FRED KABENGE

Dear TBI returning and new students, we warmly welcome you back from your recess to our first TBI class module for the year 2024. It is truly a great privilege for you to be part of the ministry preparation at Trinity Biblical Institute.

As we resume our studies, let us time and again be reminded of the deep passion and humility that characterized the life and ministry of our Lord Jesus Christ. Though he is the glorious eternal Son of God, he laid aside all his glories and took on himself the limitations of humanity to accomplish the plan and purpose unto which God had called him. This is the pattern of thinking and lifestyle God calls upon each one of us to emulate as we pursue our academic and ministry preparation for the expansion of his kingdom.

Best wishes, as always in our next upcoming TBI module class beginning 19th Feb, 2024.
