Christian greetings and Happy New Year 2024!

Coming back after a break is never really easy. After a fun-filled festive season, you may feel a little lazy and might not be excited to fit into the daily schedule of a new module, it is important to make you feel secure and confirm to you that we are ready to warmly welcome you.

Welcome back our Dear students! We are sure you had a great holiday. It is now time to look forward to a module that makes wonderful memories as you strive to complete our academic year successfully. Let us gear up to have a great deal of success this MODULE and academic year at large.

Hubert Humphrey once said **“The road to freedom, here or everywhere on earth, begins in the classroom”** We are expecting you in class as early as possible, and as a requirement make sure you enroll, pay your tuition and register for the module to allow us to plan for you well. The good news is, our fees structure has not changed for now and therefore you will continue to pay the most affordable fees/tuition to enable you to attain University Education at Trinity Biblical Institute.

Make sure you have registered before the end of the first week from the start of the new module. In case of any challenges with the bank payments, visit the Finance Office or call **0705185573** or email accountant@africatbi.com for help and guidance. **Make direct deposits to the bank and don't leave without payment references (receipts).**
